Bug Reports

Title: "דיווח על באג" page – not available.

Description: When clicking the link "דיווח על באג" opens the "תן ביס" page with a message, that the page is no longer available.

Steps to reproduce:

1. Open Chrome browser.
2. Introduce in the address field <https://www.10bis.co.il/> and press enter.
3. On the home page of "תן ביס" connect a personal user at the "התחברות" link.
4. Navigate to the bottom of the home page until the menu bar appears.
5. Click at the column "אתרים מקבוצת תן ביס" on the link "דיווח על באג".

Expected result:

A new window will open with the details of how to report a bug on the page.

Actual result:

A new "תן ביס" page opened on the address <https://www.10bis.co.il/next/report-a-bug> and the message on the page, "מצטערים, כבר לא ניתן לשלוח באמצעות טופס זה" appears.

Notes:

There is no other way to report a bug on their website.

Severity: Medium

Priority: Waiting for the supervisor to advise.

Title: "כניסה לנציגי חברות" page – not accessible.

Description: When clicking the link "כניסה לנציגי חברות" opens an error page.

Steps to reproduce:

1. Open Chrome browser.
2. Introduce in the address field <https://www.10bis.co.il/> and press enter.
3. On the home page of "תן ביס" connect a personal user at the "התחברות" link.
4. Navigate to the bottom of the home page until the menu bar appears.
5. Click at the column "תן ביס לחברות" on the link "כניסה לנציגי חברות".

Expected result:

A new window will open for company representatives.

Actual result:

A new window opened on the address <https://www.10bis.co.il/compAdmin/> and an error message appears "***This page isn't working*** - *www.10bis.co.il redirected you too many times*".

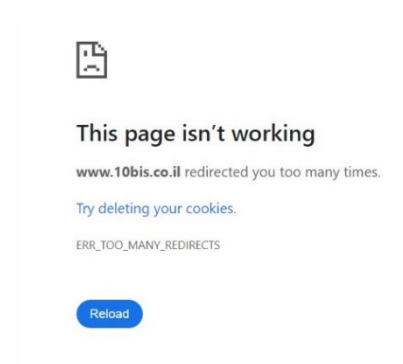

On the DevTools, a status code **302** appears when the open page is open.

Notes:

I tried the link when the personal user was not connected, and an enrollment/connection window with "תן ביס" graphics appeared. Since we use a personal user on the "תן ביס" website, we are not allowed to have access to the "כניסה לנציגי חברות" page, instead of opening an "תן ביס" informative page we receive an error without access.

Severity: Low.

Priority: Waiting for the supervisor to advise.

Title: "צור קשר" page – not accessible.

Description: When clicking the link "צור קשר", opens a blank page.

Steps to reproduce:

1. Open Chrome browser.
2. Introduce in the address field <https://www.10bis.co.il/> and press enter.
3. On the home page of "תן ביס" connect a personal user at the "התחברות" link.
4. Navigate to the bottom of the home page until the menu bar appears.
5. Click at the column "אודות תן ביס" on the link "צור קשר".

Expected result:

A new window will open with the details of how to contact them.

Actual result:

A new window opened as blank and, in the address, the field appears: <mailto:service@10bis.co.il>.

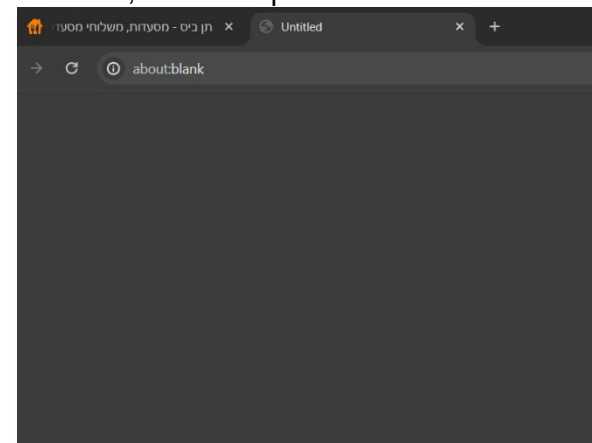

Notes:

Additionally, verify the issue on the Safari browser in an iPhone, when we touch on the same link, the email app opens with a new message window, and the email address service@10bis.co.il appears on the "TO:" field; we understand that the issue is on the configuration of the personal device (Windows 10 home edition computer) that we used to do the functionality test in the first place.

The website uses the internal e-mail apps of the devices to give the possibility to contact them, if the computer does not have an email app installed, it won't let you send them an e-mail and contact them.

Severity: Medium.

Priority: Waiting for the supervisor to advise.

Title: "המלצה על מסעדה" page – not available.

Description: When clicking the link "המלצה על מסעדה" opens the "תן ביס" page with a message, that the page is no longer available.

2. Introduce in the address field <https://www.10bis.co.il/> and press enter.
3. On the home page of "תן ביס" connect a personal user at the "התחברות" link.
4. Navigate to the bottom of the home page until the menu bar appears.
5. Click at the column "לקוחות פרטיים" on the link "המלצה על מסעדה".

Expected result:

A new window will open with the details of how to send a recommendation for a restaurant.

Actual result:

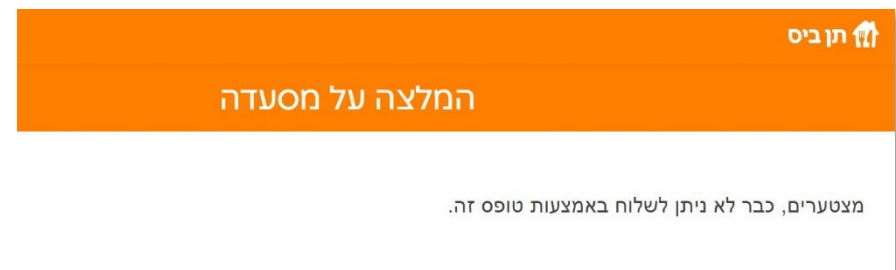

A new "תן ביס" page opened on the address <https://www.10bis.co.il/next/recommend-a-restaurant> and the message on the page, "מצטערים, כבר לא ניתן לשלוח באמצעות טופס זה" appears.

Notes:
